The Government in their order first quoted above have approved the draft 4(i) notification submitted in the case and it was published at page 836 of Part I-B of Fort St. George Gazette, dated 25-12-51 as notification No.271.

The figure 100 is not legible as the last zero (0) is obliterated It is clearly a printing mistake. It is a point whether whether errata is necessary in such a case. As there are no definite orders on the subject, I am submitting herewith a draft errata to the 4(i) notification referred to above for submission to Government for being published in the Fort St.George Gazette.

The file has been sent to this Dept w.r.t the conditions of alienation in ff 17-18 c/f.

~~---~~ ~~---~~ ~~---~~ If in the case of alienation of land for school playgrounds where the erection of any superstructure buildings would be inconsistent with the object of the grant, the further condition should be imposed that the grant shall be liable to forfeiture without any compensation if buildings are erected on the land without the previous sanction of the Government or other competent authority. As the conditions of alienation on ff 17-18 c/f do not provide for such a clause, it is for consideration whether Edn may be requested to include it as an additional condition.

10/8/51

~~Direction is only, the file may be returned to Edn.~~ After orders are passed, the file may be returned to Edn. That Deptt will no doubt ask the Com. to issue a formal order of alienation at the time of approving Sec. 6 declaration.
